Membership

Thinking about joining?

Buxton Swimming Club welcomes swimmers of all levels, from complete beginners to those competing at county, regional, national and international level. You don't need to be a great swimmer to join us — just a love of swimming and a wish to be part of a fun, supportive club. We put a strong emphasis on competitive swimming, but we're just as happy to welcome anyone who simply wants to stay fit and healthy.

New to swimming or still learning?

Our learn-to-swim programme follows the Swim England ‘Learn to Swim’ programme, with a focus on building competition skills. Lessons run on Tuesday evenings and Sunday afternoons.

Once your child has completed all the lesson stages, they'll be assessed by our Senior or Head Coach and placed into one of our squads. If they haven't swum in a club environment before, they may start in a squad below their expected level while they build up stamina.

Want to know more?

Get in touch via our Contact Us page and a member of our committee or coaching team will get back to you.

Fees

Lesson and training fees are worked out annually, taking holiday breaks into account, and then split into 12 equal monthly payments to make things easier.

Fees are collected by Direct Debit around the 7th of every month. Your Direct Debit details are in your membership pack and on every invoice email. We're unable to accept any other payment method.

Annual membership

All swimmers pay an annual club membership fee in September, at the start of the season. There's also a separate Swim England membership fee, due in January, which covers Swim England and Derbyshire ASA / East Midlands ASA registration plus individual insurance. If you join partway through the year, your fees may be adjusted depending on your start date.
